

Plastic Gripper Large 922

Description

- Extruded polyamide tape
- Widths : 25 mm (1")
- Colors : 008

Applications

- To be used with **800** & **208** loop.
- For applications requiring fastening high shear and peel strengths, with limited cycle life.

Method of attachment

- Stapling
- PSA

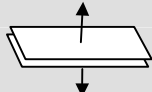

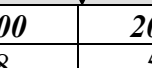

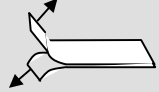

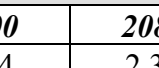

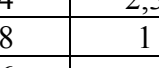

Coatings and specific treatments

DESIGNATION	CODE
High température PSA	(-L-)

Packaging

Width	25 mm	
Packaging	2 x 25 m rolls	Dispenser box
PSA -L-	200 ml	11 x 75 ml = 825 ml

Performances

Resistance	Shear Strength (N/cm ²)		(N/cm ²)		Peel Strength (N/cm)	
						
Cycle life						
<i>In combination with</i>	800	208	800	208	800	208
	20	15	8	5	1,4	2,3
50 operations	16	4	6	2	0,8	1
500 operations	9	-	4	-	0,6	-

The above results are average values obtained according to the norm NF G 91-103.
